

QUINTA DA RIA

COURSE GUIDE

WELCOME TO QUINTA DA RIA

Situated in the Eastern side of the Algarve, also known as the Sotavento Algarvio, Quinta da Ria includes two spectacular golf courses, Quinta da Ria and Quinta de Cima, a 9-hole pitch-and-putt academy course, and a state-of-the-art practice facility.

Located just over half an hour from Faro International Airport, Quinta da Ria is perfectly integrated in the Ria Formosa Nature Reserve, the most significant Eco-system in the Algarve, comprised of a line of barrier Islands along the coast, making this protected wet land a rich nature habitat for numerous biological species.

QUINTA DE RIA CHAMPIONSHIP

SEASIDE GOLF COURSE

Designed by the renowned American Architect – Rocky Roquemore, Quinta da Ria offers amazing views overlooking the Atlantic Ocean and the beach of Cacela Velha, which has been recognised as one of the most beautiful beaches in the world.

The course, which opened in 2002, offers a friendly layout suitable for all levels of golfers. The idea of the architect was to create a challenging golf course, yet maintaining the original natural landscape with thousands of ancient olive and carob trees.

Enjoy the sea views from the 12th and 13th holes and take advantage from these large, well placed greens. Have fun!

WORLD CLASS PRACTICE FACILITIES

QUINTA DA RIA ACADEMY

Quinta da Ria offers unique and exceptional practice facilities for both amateur and professional golfers accompanied with teaching groups. The academy is divided into 5 distinct areas:

The 300m long **driving range** offers a total of 70 grassed hitting bays distributed over the North and South tees and a further 5 bays (covered) on artificial grass.

The **9-hole pitch-and-putt academy course** has been the most recent addition to the practice facilities. Suitable for beginners, but also for experienced golfers wishing to practice their short game, the academy course offers the same quality maintenance standards as the two 18-hole golf courses. A must try experience!

During golf peak season the academy course is transformed into 7 different short game teaching areas, excellent for Pros Groups.

The two large **putting greens**, adjacent to the 1st tee of each course, allow for multiple players to warm up before the round.

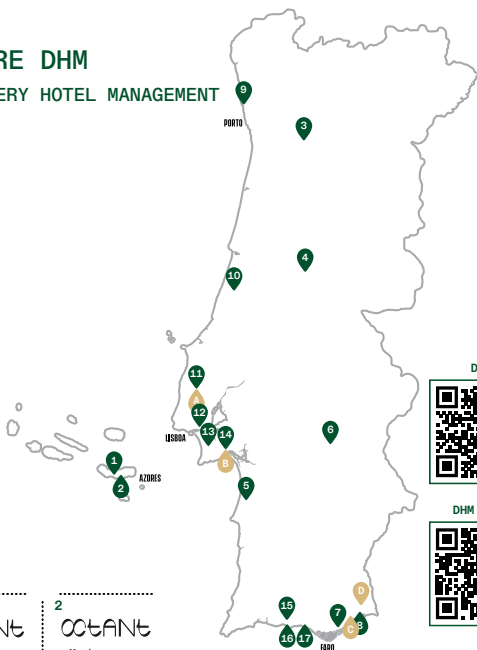

The **chipping and bunker area** with multiple targets offer the possibility for at least 3 pro groups to practice at one same time.

All distances are measured in METRES to the FRONT of the green.

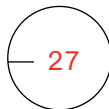

Compass point shows orientation of hole

Indicates green slopes, with condensed lines being the most severe

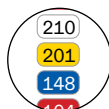

Direction to the next hole

These figures indicate depth of green from front edge 'o'

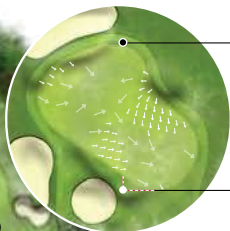

Numbers below the hole number indicate PAR and Stroke Index

Driving distance from each tee position

Physical fairway discs on the course show distance to centre of green. This course guide displays the distance to the FRONT of green.

474 ○

465 ●

421 ●

374 ●

PRO TIP

Good starting hole with trees left of tee. Best line is towards large bunker right of the centre, leaving a good position to play second shot, with pitch to green.

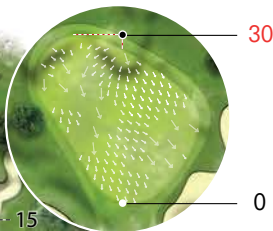

PRO TIP

Fairly easy short hole with bunkers surrounding the green making club selection very important.

344 ○

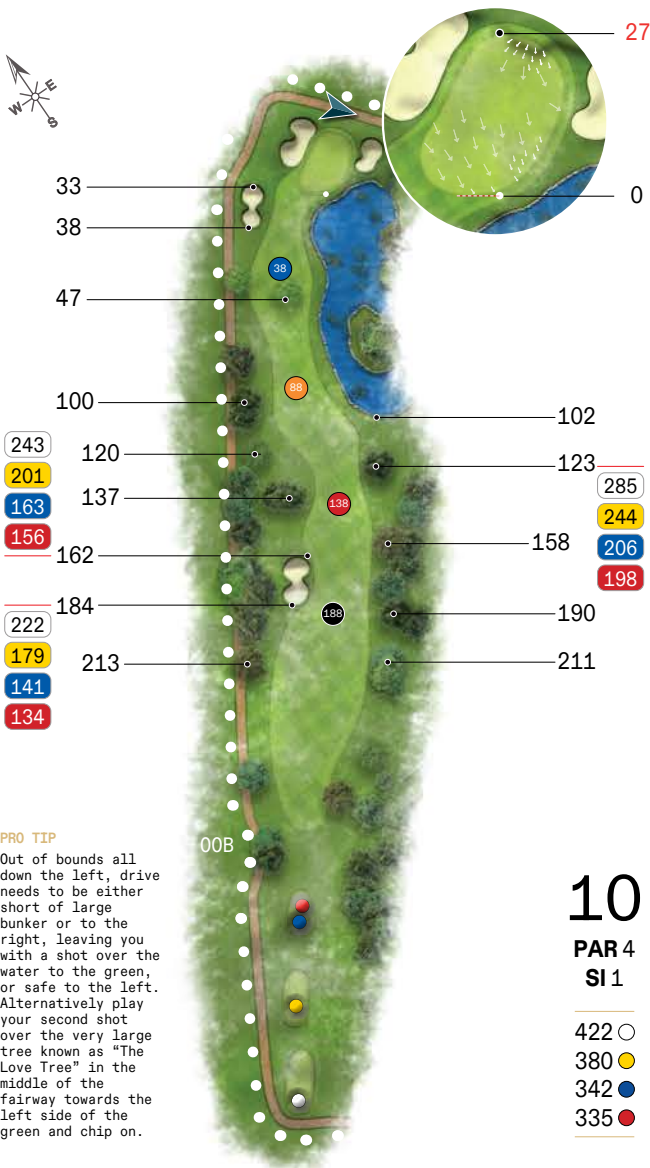

340 ●

330 ●

323 ●

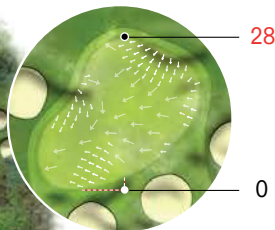

PRO TIP

Trees either side.
Drive towards the
clubhouse, medium
iron to green, out of
bounds to the rear.

PRO TIP

Out of bounds all down the left, drive needs to be either short of large bunker or to the right, leaving you with a shot over the water to the green, or safe to the left. Alternatively play your second shot over the very large tree known as "The Love Tree" in the middle of the fairway towards the left side of the green and chip on.
